## Context

Our English teacher, Tom Jackson, has some good neighbors. They are Carl, Ann, Joe and Mary. Here's some information about them. Carl is a train conductor. He works on the railway for 28 years. It is always a good job for him because he likes meeting people. Carl is very helpful and tries to make the passengers comfortable. He often stops to talk with the passengers. He likes his work because he can travel to many different places. Ann is a kind woman in a small town. In a hospital, she works as a nurse for four years. She likes her work very much. This month she is helping mothers with their new babies. Joe is a taxi driver. He drives a taxi for 22 years. Most of the time, Joe likes his work. He takes many film

## Answer

22 years
